Dedication

Whether we wish to admit it or not, we are the future of our ancestors, as our descendants are our future. We owe our descendants our dreams and bequeath to them the legacy of our collective accomplishments – nothing more and nothing less. To our descendants, we charge you with the honoring of your heritage. Your ancestors were hardy folk, god-fearing and plain spoken, and who recognized that nothing was due them except that which they themselves earned. They were not ashamed to profess their belief in God, their country and the American ideal. Of course, there were a few rascallions in our collective history, but neither more nor less than in any other family.

We too easily forget what it took to forge a life in a new world, one rife with peril and with little at hand but a steadfast determination to not only survive but to thrive. Our ancestors bequeathed us with their genes, aspirations and talents. It is therefore fitting that the Blandford Series of Yarbrough Family Records be dedicated to them for making it possible for us to be who we are.

To paraphrase Robert Kincaid¹, “The dreams they had were good ones. They didn’t all come true, but they were worth having, all the same.”

Acknowledgement

The Yarbrough Association is greatly indebted to the vision and efforts of Cathy Y. Walker and William A. (Bill) Yarbrough, the late president and vice-president of the YNGHA, respectively, for beginning the project to digitize the 150+ volumes of records accumulated over the life of the Association. Fulfilment of the project was through the efforts of a number of officers and members, including Bill’s son Mark, Rachel and Don Yarbrough, Hal Yarbrough, Jan and Jim Yarbrough, Ann and Al Bush, Elaine and Lyle Wolf, Joan Y. Singlaub, and Joanne and Bill Augspurger.

It was my privilege to be a part of this dedicated team.

Preface

These records are the legacy of our Yarbrough family researchers, to whom much is owed. The known family researchers include Jean Baker, Ann Y. Broadbent, Mary Y. Daniel, Frances (Rea) Donohue, Betty Humrighouse, Pauline Gray, Evelyn Goble, Nelle Morris Jenkins, Ophelia Kessler, Frances Lockwood, Karen Mazock Renee Smelley, Dorothy Svec, Jeanette Wilson, Cleveland “Cy” Yarbrough, Edna Yarbrough, George A. Yarbrough, and Robert Price Yarbrough.

The originals of these volumes are being kept for the benefit of future generations by the Williamson County Library, Franklin, Tennessee.

No claims of accuracy or authentication of the material herein are made or may be assumed. Many of these records have been superseded by subsequent research. Hence, there are records which are erroneous and unreliable; it would have been a Herculean task to attempt to correct all of them. Fortunately, there are only a few critical genealogical facts that are involved, and which are correctly stated here:

- Richard (the Immigrant) Yarbrough was never married to Frances Proctor;
- Ambrose Yarbrough did not immigrate from Yorkshire; he is now believed to be a descendant of Richard the Immigrant;
- There are so far only two proven sons of Old Richard – John and Richard II;
- There is so far no evidence proving Joshua Yarbrough I to be a descendant of Old Richard.
- The “Old Country” referred to in old documents and letters is the Colony of Virginia, not England or the Old World.
- There were not seven brothers who immigrated from “the old country”; in fact, it now appears there were three brothers and four sons of the brothers. Which were the fathers and which were the sons are so far unknown.

In spite of these inaccuracies, these records comprise much of our history and some of our accomplishments. There are pages whose print quality is so poor that word recognition was not possible. In spite of that, at least partial capability for searching these volumes is provided, as well as an index to each volume. Nonetheless, the viewer is cautioned to perform his/her own due diligence in connection with any use of this material.

The various spellings of the Yarbrough surname have never been applied consistently, even within a given family. To the extent possible, the names in the index reflect the names used on the source pages; where it wasn't clear as to which might be the proper spelling, the spelling used is “Yarbrough”.

The material contained herein is subject to the copyright laws of the United States. Material may be freely used by Yarbrough family researchers so long as proper attribution to the [Yarbrough National Genealogical & Historical Association, Inc.](#) is given. This material, in whole or in part, may not be used for any other purposes without the express written permission of the Yarbrough National Genealogical & Historical Association.

We welcome the [submission](#) of any Yarbrough family information that can be added to our growing data base. More information about the extended Yarbrough families can be found at our website, <http://www.yarbroughfamily.org>. GEORGIA MARRIAGES

Note: Archive Committee worksheet only -- not for distribution in any form. These marriages are primarily from printed sources and probably contain many errors.

In many instances, a marriage is listed in more than one county. In some cases, this is because a new county was formed and the marriage is listed in the original county as well as the newly formed county.

In other cases, the marriages seem to be registered in the bride's county of residence and also in the groom's county of residence. I have no idea as to why the marriage would have been registered in both counties.

When the marriage book and page number are known, it is shown with the book number first, a colon and then the page number -- A:12 = Book A, page 12.

This family resided Monroe Co, TN ca 1836. Moved to Murray Co, GA ca 1846. Their sons, Edward, Elias, Robert and James Yarbrough were in Franklin Co, AR in time for the 1870 census of that county.

- (1) These sent by Bessie T. Rowland, Rogers, AR. An LDS member she has sent a number of such marriages for Yarbrough but does not cite book and page number. I presume they come from L.D.S. records.

These children married in Murray Co, GA are sons of James Yarbrough and wife Elizabeth. Bessie thinks the wife's age is wrong, and perhaps that of her husband, for John A. Yarbrough to be their son. There was a marriage in Franklin County, N.C. for James Yarbrough and Eliza. Williams 13, May 1834. Bessie is certain that our Yarbrough's are related to these Murray Co, GA to Franklin Co, AR Yarbrough's.

 was in 1830 census of Coosa Co, Ala 20/30 yrs
 of age. (Will Bk A/296, Coosa Co, Al)

It would appear that the family above is related to Humphrey Y.
 and the Rev. Anson Yarbrough who went to Alabama in 1832, and
 originated Anson Co, N.C.; Humphrey and Grove migrated to Spartan-
 burg District, S.C.; Grove left Spartanburg and moved to Franklin
 Co, Ga where he died.

Research and the process of elimination would prove or disprove
 this conjecture.

See N. & M. Yarbrough Bible for this family.

In 1840 there were two listings for Grove Yarbrough, but I think
 both households were his. He must have needed two homes to house
 his 16 children. This would account for only one daughter in his
 home, the rest were keeping house for their brothers and sisters
 in house number two.

Proof that Isaac Yarbrough (Sr) and wife Mary were yet alive in 1884 is found in a series of deeds recorded in Cullman County, AL. Both having reached old age the couple was evidently disposing of their property which is why there is no estate settlement or probate for Isaac or Mary Yarbrough in Cullman County.

Isaac Yarbrough owned land in township 9, Range 2 West, Section 13, and in each of the following deeds the parcels mentioned are from the same description.

26 Mar 1880, Isaac and Mary Yarbrough conveyed 80 acres to Moses Yarbrough

10 Mar 1883, Isaac and Mary Yarbrough conveyed acreage and improvements to
W.T.L. Coffin

10 Mar 1884, Isaac and Mary Yarbrough conveyed 40 acres to David Garrett

Their son John E. Yarbrough owned land in Section 12, township 9, Range 2 West, which he sold to Lucy A. Oaks on 11 Oct 1883, and applied for and got a patent for 160 acres under the Homestead Act which was recorded 10 Mar 1884 in Cullman County, Alabama.

Searching for Indexed Terms¹

First, find the name or phrase (search term) in the index. Then, from the menu bar, select “Edit”, and then “Find” or press CTRL+F. A search field will appear in the upper right corner of the page. Enter the search term into this field and press ENTER. If the search term is not found, nothing will happen; otherwise, the search term will be displayed on the first page in which it occurs. Repeated pressing of the ENTER key will high-light other occurrences within the file. Use the left and right arrow buttons to the right of the search field to look ahead or to look backwards for other occurrences of the term in the document

A directory (folder) or even an entire hard drive may also be searched². First, high-light the selected folder or drive and then press SHIFT+CTRL+F to obtain a listing of all the files in which the search term appears. Next, select and open an individual file to find the first occurrence of the search term(s) in the file, as described in the preceding paragraph.

¹ In order for the search feature of Adobe Acrobat® Reader to be enabled, a certain level of document legibility is required. That is, post-scanning processing cannot overcome poor print quality of an original document. With this caveat, each volume has been made searchable by Adobe Acrobat, version 9 or later.

² This may take quite some time, depending on the size of files contained therein.
