#### SOLOMON S. YARBROUGH MEMOIRS4

To the Bishop and Members of the Northwest Texas Annual Conference:

DEAR FATHERS AND BRETHEREN--Solomon S. Yarbrough was born in September, 1813. When eight years old he joined the Methodist Episcopal Church. He was licemmed to preach May 3d, 1834. He was a member of the Church a little more than sixty-four years, and a minister about fifty-one and one-half years. He was ordained Elder by Bishop James O. Andrew at Nashville, Tennessee, October 13, 1839. He joined the Tennessee Conference in 1836. He served as pastor, among others, the following charges: Nashville Circuit, Nashville Station, Sparta Station, Shelbyville Station, Winchester and Fayettville Circuits. He was married to Miss Hattle Hinds October 1, 1846, after which he traveled in Tennessee one more year, serving the Duck River Circuit. After this he traveled six years in South Alabama. He was transferred to the Texas Conference in 1853; he was on Waxahachie Circuit. He was one year on the Huntsville District, then on the Caldwell, Blooming Grove, Weatherford and Cedar Hill Circuits. With these his itinerant labors closed. He then quietly settled down at his home, near Waxahachie, where he remained until life's battle ended in glorious immortality just as the drparting shadows of the year 1885 were receding behind the screen of the past. After appropriate funeral services at the Methodist Church in Waxahachie, his body was consigned to the narrow confines of the charnel house, January 1, 1886.

Bro. Yarbrough was an earnest and successful preacher and pastor

Bro. Yarbrough was an earnest and successful preacher and pastor in his palmy days. A man of power, a revivalist of the true type. His strength consisted not in mental culture, for his literary attainments were limited, but in the endowments of nature. While no effort was made at homiletical regulations of hermeneutical exposition, there was such a striking naturalness in his style, and such an earnestness in the delivery of the practical truths of the gospel, as to captivate the auditor and rivet conviction upon the guilty. If not rhetorical he was fluent. With these gifts, sanctified by grace, he efficiently swayed the sword of truth. Hundreds were converted under his ministry. He exhibited the virtues of a true and faithful husband and father. The pulsations of a warm heart brought him into the closest relations of friendship with his friends. Owing to personal affliction he sustained a supernumerary relation to this Conference several years prior to his death. But few knew the extent of his sufferings. He often endured excruciating pain. His last illness was protracted and painful; but he bore it with becoming fortitude. Some days previous to his death clouds of doubt obscured his moral firmament; but while his pastor was offering up a fervent prayer in his behalf two or three days before the final end, our beneficent Pather brushed away the film of doubt and sent a thrill of joy to the heart of His dying servant that found expression in Hallelujahs to God. When he had come to the brink of the death flood he was cheered by the happy thought of a glorious reunion with loved ones, and said, "I am going to see my mother." A moment more the messenger came—addressing his last words to his companion, his spirt departed to the realms of bliss. We may say he rests well since life's fitful fever is o'er.

Respectfully submitted, R.C. ARMSTRONG A.M. DECHMAN, M.K. LITTLE.

as his ability would permit, always making it a rule of his business to give his customers a fair equivalent for prices charged, so that he enjoys a reputation, second to no house in the country, for fair and upright dealing, and is highly esteemed throughout Fannin county and wherever known."

#### MRS. MARTHA B. YARBROUGH

"MRS. MARTHA B. YARBROUGH, of Ellis county, was born in Lincoln county, Tennessee, February 21, 1831, daughter of Captain Thomas and Mary R. (Moore) Hinds, natives of South Carolina and Tennessee. The parents came by teams to Texas in 1853, locating in Ellis county. They were accompanied on this trip by Mr. and Mrs. Yarbrough.

Solomon S. Yarbrough was born in Tennessee in 1813, and was converted and became a member of the Methodist Episcopal Church at the age of eight years. He was licensed to preach May 3, 1834; was ordained deacon by Bishop T.A. Morris at Columbia, Tennessee, October 10, 1836; was ordained elder at Nashville, Tennessee, October 13, 1839, by J.O. Andrews, and it is supposed that he joined, the Tennessee conference in 1835. He traveled the Nashville circuit one or two years; was stationed in Nashville two years; also in Lebanon one or two years, Sparta and McMinnville one year, Shelbyville, Winchester and Fayetteville one year.

He was married, October 1, 1846, and the next six years were spent in Alabama, then belonging to the Tennessee conference.

In 1853 Mr. Yarbrough was transferred to the Texas conference, and his first appointment was Waxahachie circuit,

which embraced Ellis county, and the greater part of Navarro county. The year 1855-56 was spent in traveling the Huntsville district, after which he traveled the Caldwell circuit one year, was again appointed to the Waxahachie circuit, but owing to physical obstructions he did but little work that year. He next traveled the Blooming Grove, Cleburne, Weatherford and Cedar Hill circuits. but bodily infirmities and age forced him to take a supernumerary relation to the conference, which he Sustained several years previous to his death. He was an affectionate husband, a kind and indulgent father, and he endured all his suffering with Christian fortitude. His spirit took its flight to his eternal home December 31, 1885, at 8:00 A.M., and his last utterance was, "I am going to heaven to see my mother;" and to his wife he said, "Farewell, Matt, I am going." In early life he was a sweet singer and a great revivalist, and after coming to Texas Mrs. Yarbrough traveled with her husband and assisted him in his work. About the year 1854 he bought a tract of land which was his home during life, and which is yet the home of Mrs. Yarbrough. The tract contains 420 acres, about ninety acres of which is under cultivation.

Mr. and Mrs. Yarbrough have had three sons, viz.: Thomas H., born January 13, 1849, is a resident of Ellis county; Willie R., born July 2, 1852, resides in Limestone county, and John M.B., born July 24, 1867, is at home. The mother has been a member of the church for forty years, and her happiest days were when she traveled with her husband, and and she is yet attending to church duties."<sup>2</sup>

Transcribed from the original record book in the Nicholas P. Sims Library, Waxahachie, Tex,

by

Nancy Timmons Samuels Fort Worth, Texas

Note: A copy of this transcription is being placed in the Nicholas P. Sims Library, in appreciation for allowing the original book to be copied. The handwriting in the book was often difficult to read and some of the initials may be interpreted incorrectly. However, the names were checked against the 1860 and 1870 censuses of Ellis County in an effort to corroborate interpretation.

## Searching for Indexed Terms<sup>1</sup>

First, find the name or phrase (search term) in the index. Then, from the menu bar, select "Edit", and then "Find" or press CTRL+F. A search field will appear in the upper right corner of the page. Enter the search term into this field and press ENTER. If the search term is not found, nothing will happen; otherwise, the search term will be displayed on the first page in which it occurs. Repeated pressing of the ENTER key will high-light other occurrences within the file. Use the left and right arrow buttons to the right of the search field to look ahead or to look backwards for other occurrences of the term in the document

A directory (folder) or even an entire hard drive may also be searched<sup>2</sup>. First, high-light the selected folder or drive and then press SHIFT+CTRL+F to obtain a listing of all the files in which the search term appears. Next, select and open an individual file to find the first occurrence of the search term(s) in the file, as described in the preceding paragraph.

<sup>&</sup>lt;sup>1</sup> In order for the search feature of Adobe Acrobat<sup>©</sup> Reader to be enabled, a certain level of document legibility is required. That is, post-scanning processing cannot overcome poor print quality of an original document. With this caveat, each volume has been made searchable by Adobe Acrobat, version 9 or later.

<sup>&</sup>lt;sup>2</sup> This may take quite some time, depending on the size of files contained therein.
