Dedication

Whether we wish to admit it or not, we are the future of our ancestors, as our descendants are our future. We owe our descendants our dreams and bequeath to them the legacy of our collective accomplishments – nothing more and nothing less. To our descendants, we charge you with the honoring of your heritage. Your ancestors were hardy folk, god-fearing and plain spoken, and who recognized that nothing was due them except that which they themselves earned. They were not ashamed to profess their belief in God, their country and the American ideal. Of course, there were a few rascallions in our collective history, but neither more nor less than in any other family.

We too easily forget what it took to forge a life in a new world, one rife with peril and with little at hand but a steadfast determination to not only survive but to thrive. Our ancestors bequeathed us with their genes, aspirations and talents. It is therefore fitting that the Blandford Series of Yarbrough Family Records be dedicated to them for making it possible for us to be who we are.

To paraphrase Robert Kincaid¹, “The dreams they had were good ones. They didn’t all come true, but they were worth having, all the same.”

Acknowledgement

The Yarbrough Association is greatly indebted to the vision and efforts of Cathy Y. Walker and William A. (Bill) Yarbrough, the late president and vice-president of the YNGHA, respectively, for beginning the project to digitize the 150+ volumes of records accumulated over the life of the Association. Fulfilment of the project was through the efforts of a number of officers and members, including Bill’s son Mark, Rachel and Don Yarbrough, Hal Yarbrough, Jan and Jim Yarbrough, Ann and Al Bush, Elaine and Lyle Wolf, Joan Y. Singlaub, and Joanne and Bill Augspurger.

It was my privilege to be a part of this dedicated team.

Preface

These records are the legacy of our Yarbrough family researchers, to whom much is owed. The known family researchers include Jean Baker, Ann Y. Broadbent, Mary Y. Daniel, Frances (Rea) Donohue, Betty Humrighouse, Pauline Gray, Evelyn Goble, Nelle Morris Jenkins, Ophelia Kessler, Frances Lockwood, Karen Mazock Renee Smelley, Dorothy Svec, Jeanette Wilson, Cleveland “Cy” Yarborough, Edna Yarbrough, George A. Yarbrough, and Robert Price Yarbrough.

The originals of these volumes are being kept for the benefit of future generations by the Williamson County Library, Franklin, Tennessee.

No claims of accuracy or authentication of the material herein are made or may be assumed. Many of these records have been superseded by subsequent research. Hence, there are records which are erroneous and unreliable; it would have been a Herculean task to attempt to correct all of them. Fortunately, there are only a few critical genealogical facts that are involved, and which are correctly stated here:

- Richard (the Immigrant) Yarborough was never married to Frances Proctor;
- Ambrose Yarbrough did not immigrate from Yorkshire; he is now believed to be a descendant of Richard the Immigrant;
- There are so far only two proven sons of Old Richard – John and Richard II;
- There is so far no evidence proving Joshua Yarborough I to be a descendant of Old Richard.
- The “Old Country” referred to in old documents and letters is the Colony of Virginia, not England or the Old World.
- There were not seven brothers who immigrated from “the old country”; in fact, it now appears there were three brothers and four sons of the brothers. Which were the fathers and which were the sons are so far unknown.

In spite of these inaccuracies, these records comprise much of our history and some of our accomplishments. There are pages whose print quality is so poor that word recognition was not possible. In spite of that, at least partial capability for searching these volumes is provided, as well as an index to each volume. Nonetheless, the viewer is cautioned to perform his/her own due diligence in connection with any use of this material.

The various spellings of the Yarbrough surname have never been applied consistently, even within a given family. To the extent possible, the names in the index reflect the names used on the source pages; where it wasn't clear as to which might be the proper spelling, the spelling used is “Yarbrough”.

The material contained herein is subject to the copyright laws of the United States. Material may be freely used by Yarbrough family researchers so long as proper attribution to the [Yarbrough National Genealogical & Historical Association, Inc.](#) is given. This material, in whole or in part, may not be used for any other purposes without the express written permission of the Yarbrough National Genealogical & Historical Association.

We welcome the [submission](#) of any Yarbrough family information that can be added to our growing data base. More information about the extended Yarbrough families can be found at our website, <http://www.yarbroughfamily.org>. its that guy that doesn't write very often. But ink you
see from the enclosed that I have been busy. I lly got
he 1900 Texas Census that you sent, entered into computer

1-
I am enclosing hopefully just the data sheets on families and
on each individual. This also should leave them almost in
alphabetical order just as they were in the census. Since I was
only able to connect three or four to people already in my
computer, I am sending these draft copies to you in case you run
out of something to work on. I have included the few other sheets
that I was able to connect and included the pedigree on the back.
Also there are a few sheets at the beginning that are not in the
alphabetic listing that I am working on with Karen. Hopefully,
she will again have access to a computer on her new job and we
will be printing and sending to you. The Yarbrough Encyclopedia
of family group sheets on each individual in alphabetic order
with pedigree charts. The reason I am sending these in draft is
because of my printing time. In draft it only takes about three
hours to print all that I have enclosed but in near letter
quality printing it would have taken about 10 hours to print plus
another 15 hours if I had included all the pedigree sheets. Karen
had access to a high speed, hi quality printer at work that I
think spits out about 15 or more sheets per minute, which would
have printed all of this in 20 minutes plus it would have a
better quality than even this letter which I printed in my near
letter quality (NLQ) in contrast to the draft quality of all the
enclosed sheet..

Don't worry about keeping these sheets in your notebooks because
after I get as many correct ones and connect. (pls ask: I will
be sending them to (arE:n t) print and send you a (.or/ in th
pedigrees or f ;he doe;;n't have access to a (.c,mr:utt=r aga::rt, th n

you copies. Just use the::e to mark up or c:ompare t^h c'thE::r copies
of data sheet tha y(U can sr ncl to me as you have::time.

I have only listed the name source since all of the information
on most sheets came from the one source, however when I receive
additional information I am her sources I will t ea bit of
data connected to its r::e. n. s:ill th're a l::c::m:: covered.

cannot identify them from the census and I hope you can. Since this is my first big jump into Texas I hope you can just set these aside and work on them when you have a little spare time. It would be helpful if you returned any of the sheets marked-up so I will have my computer number on each person along with the name as I have it listed. Its sometime difficult to find someone after a name has been corrected and there are lots of individuals listed in here by initials only and others, probably by nick names. Plus others just scattered about.

This reminds me, you might want to attach a note to this census by Dorothy Bearden Heaner because some of the entries are quite confusing in the way that the Yarbroughs have been put out of households which were headed by persons other than Yarbroughs. They are now listed as the head of the household - that the census numbers indicate the head of the household are just minor children but now they are listed alphabetically and appear as head of household. Also the relationship was changed exactly as it was in the original census thus making the relationship backwards to the head of the household. When the original non Yarbrough head of the household was the mother-in-law of a Yarbrough and you reverse the situation to list the Yarbrough alphabetically making the Yarbrough appear as the head of the household then the relationship needs to be reversed. I have found husband and wife which cannot be connected together unless you happen to notice that they were listed jointly in the same household--see M.R. Yarbrough with John Lang jointly in home. Jane Y. is apparently his wife. And John Lang was previously the head of the household. Also the see the children of the Buckner Orphans Home. There are lots of in-laws and nephews that I did not include because I had no way of connecting them in the computer and if they are not Yarbroughs they are bound to get lost. Normally I list the children of a Yarbrough even though she married someone other than a Yarbrough and I list ancestors, when available, of every one.

If you have any other census list, I would like to have copies of them. Especially Texas. then maybe I can connect up some of these and find other children who had moved out of the home at the time of the census.

Give the list to me and I'll get back to you with some of the other information. I'll send you a list of the past.

Sincerely yours;

Marion

NOTE: IT is understandable why so many Panola County men were P O W's in Louisiana. Remember that a large army was stationed in the Shreveport area when the War ended, and some efforts were made to hold them together and carry on the War even after Lee's surrender. Finally, General Kirby-Smith had to surrender his command and the men were paroled from Shreveport.

Researching the thousands of names on those P O W Rols was a very tedious task, and it is likely that some names were overlooked. (L.B.LG.)

on attended school. The first appropriation by the State was made in 1854, and amounted to 62 cents per child." Mr. Sharp so explained the requirements by which teachers were eligible to receive these funds, "Furthermore, only those districts could avail themselves of the State Apportionment which had provided a good substantial school house with the necessary seats and other fixtures." Mr. Sharp quoted this requirement fromammel's LAWS OF TEXAS, p. 1462.

Whatever the State law, it is obvious that Panola County teachers did not receive the money on that basis; and at the August, 1858, term of court the three men named in the Court and resigned as the committee. "Thereupon, the Court appointed J. Hadley Anderson, H. McKay and C.D. Moore as School Examiners' Committee." Eventually, C.D. Moore reconsidered.

It was the November, 1858, Court that gave an order for the School Fund now in the Treasury of the County be apportioned as follows: "The following teachers of schools in said county who have complied with the law, paid the sum of 10 cents per day out of the fund for all Indigent Scholars, or those who are unable to pay their tuition for the full number of days." The teachers receiving money for such students were not listed with pupil-days as they had been before. Only the amount paid to them was given as follows:

V. Chatham . . . \$32.55; P.L. Johnson . . . \$35.80; (?) Bostick . . . \$41.30; W.B. Berger . . . \$31.50; T.L. McPherson . . . \$17.00; G.W. Hartsfield . . . \$37.25; E.J. Johnson . . . \$65.10; A.S. Long . . . \$1.50; H. Fyke . . . \$46.40; O.C. Taylor . . . \$53.80; J.B. Browning . . . \$36.40; J.C. Wilson . . . \$39.00; H.B. Williams . . . \$1.40.

The money left in the fund, \$990.10, was ordered to be paid at 4½ cents per day for a scholar returned in the Tabular Statements of teachers of schools in this county. The sums paid to the following receivers were returned to patrons of schools and the fee receivers were named:

School	Receiver	Amount
V. Chatham's	M.S. Higgins; S.B. Darnall	\$245.85
Johnson's	J. Rowe; J.M. Solomon	74.25
Bostick's	P.M. Harrison; J.Z. Tamplin	43.38
Berger's	W.H. Taylor; Harrison Davis	54.62
McPherson's	J. Anderson; M.V. Lout	62.07
Hartsfield's	C.C. Carter; T. Wooten	40.98
Dodson's	E.A. Jeter; John Thompson	51.21
Long's	G.L. Duke; John Ross	88.06½
Fyke's	J.A. Watson; E. Williams	33.30
McCann's	W.J. Blake; W.J.B. Hooker	35.66¼
Taylor's	William Tiller; J.L. Matthews	83.07

This list of teachers in the county who made reports had dropped off since the year before. The same November Court ordered that the Treasurer of the State of Texas pay to Panola County Treasurer \$1524.40 from State School Funds due for August, 1858. E. Williams was allowed \$15.00 for bringing the school fund from Austin to Panola County.

In August, 1859, C.D. Moore resigned as "Teacher Examiner"; whereupon J.J. Wilson was appointed in his stead. A year before he had been appointed to serve with J. Hadley Anderson and H. McKay. At that time they were just called School Examiners with no mention of what they were to examine.

S.B. Darnall, County Treasurer, gave an interesting report November 21, 1859; School Fund on hand, beginning of quarter . . . \$ 2.00 School Fund received since last quarter . . . 1524.40 Leans on \$1524.40 School Fund @ 5% . . . 76.22 School Fund on Hand . . . 1450.18 School Fund for 1859 yet in Austin . . . 1657.60

The Court instructed that the apportionment of Texas School Fund for the year ending August 31, 1859, be requested of the State Treasurer to be paid to the County Treasurer, S.B. Darnell. (Note: About this time in the County records the spelling of the name of the County Treasurer was changed from Darnall to Darnell.)

It was ordered November 22, 1859, that the School Appropriation to this County be paid to the County Treasurer by the State Treasurer and be apportioned as follows: "The following teachers of schools in said county having complied with the law be paid the sum of 10 cents per day out of said fund for all Indigent Scholars or those that are unable to pay full number of days said Indigent Scholars went or were taught by the several teachers, to wit: . . ." The number of days were not specified but teachers who received money from the fund were: Thomas Farrow, J.C. Mott, J.C. Wilson, J.W. Wells, J.R. Browning, G.L. McPherson, A.D. Smith, A.J.

Jordan, L.J. Spencer, A.S. Long, H. Fyke, J.W. Daniels (taught two schools), J.W. Chatham, (?) Ridgeway, R.S. Wall, John Murphey, H. Stuart, J.R. Butterworth, G.W. Hartsfield.

An interesting paper in the Court Records is addressed to "The Chief Justice of the County Court of Panola County"; and it gives the first mention of Youngblood School in the Court Records: "Please pay to P.H. Hoskins and Grisham Herrin, patrons of the School taught at Youngblood's School House, in the years 1858 and 1859, by Dr. Daniels, the amount due to the patrons of that school for the time aforesaid of the Public School Funds in the Treasury of Panola County, September, 1859. Signed by Willis Singletary, Ira Dorter, West Hoskins, G.W. Dillard, and James Crawford."

Perhaps this was the usual notice given to the Court before the apportionment was paid, as seen by the list of patrons named the following November, 1859; the Court had \$682.88 remaining in the fund after deductions for Indigent Children. "It is therefore ordered that out of same there be paid the sum of 1½ cents per day to each scholar returned in the County Tabular Reports . . . the same to be paid to the following named persons as receivers to be paid to the several scholars . . ." The list that follows shows both the teacher and the patrons who received the apportionment. This list helps to locate early families in this county: Thomas Farrow's School . . . G. Alexander and W.T. Clanton; J.C. Mott's School . . . E.A. Jeter and B.M. Carter; J.C. Wilson's School . . . Nathan Davis and John Tate; J.W. Wells's School . . . A. Johnston and I.M. Birdsong; J.R. Browning's School . . . I. Pike and (?) Williams; T.L. McPherson's School . . . C.S. Scroggs and R.A. Craig; A.D. Smith's School . . . C. Crenshaw and Rich and Golden; A.J. Jordan's School . . . John L. Booty and J.J. Yarborough; A.S. Long's School . . . Ross and W.S. Whitson; H. Fyke's School . . . John L. Booty and J.J. Yarborough (Note: This indicates two teachers for one school); J.W. Daniels's School . . . P.H. Hoskins and G. Herrin; J.W. Chatham's School . . . S.B. Darnell and J.M. Ramsey; Mr. Ridgeway's School . . . S.B. Darnell and J.M. Ramsey (another two-teacher school, apparently, Carthage); J.M. McDaniels's School . . . G. Cash and A.J. LaGrone; B.F. Ingram's School . . . J.B. Armstrong and Hooker; R.S. Wall's School . . . W.W. Davis and R.T. Surratt; Jon Murphy's School . . . P.M. Harrison and J.Y. Lamplin; Henry Stump's School . . . William Davis and S.A. Reed; J.R. Butterworth's School . . . A. Johnston and W.W. Smith; G.W. Hartsfield's School . . . J.G. Lyon and S. Wooten; R.A. Ridgeway's

Children and Regular Scholars; and the Court ordered that King be allowed \$44.50 from the Indigent Fund and that \$41.29 be paid to the patrons of King's School at the rate of 1½ cents per day attended. Feb., 1860, the Treasurer's Report gave: Amount of School Fund to begin Quarter \$1450.18 Paid out during the Quarter 1431.17 Remaining in the Fund 19.01 H. McKay, who had been appointed to the School Examiners' Committee in August, 1858, resigned at the August, 1860, Court term and John W. Cook was appointed in McKay's place.

W.B. Metcalf's School	H.G. Roquemore and J. Renfro, patrons
H. Fyke's School	C.A. Lampin and H.A.D. Roquemore, patrons

The above table has some interesting observations in it. W.B. Metcalf taught three different schools in different communities and had different paying patrons represented. One can understand this, if he remembers that schools were not longer than three months; usually they ran only about two months.

The number of teachers in the County suddenly grew until the list in 1860 was more than twice that of 1858. In November, 1860, public school teachers were allowed 8 cents per day for tuition of Indigent Scholars, if the teacher complied with the law by reporting pupil-days attended. From the money left in the fund, three-fourths of a cent per day was allowed patrons for other scholars. The 1860 apportionment from the State for Panola County was \$1657.60. To save space and avoid confusion, the list of payments for 1860 may be listed in one chart:

This November, 1860, Term of Court ordered that the State Treasurer pay to Panola County Treasurer \$1657.60, as the county apportionment of the State School Fund for the year ending August 31, 1860. A further order was that the State Treasurer pay to S.B. Darnell, Panola County Treasurer, \$164.47, the amount due from the State Treasurer, "as per letter of advice of Comptroller, September 10, 1860." This was the tax due on the Public School Lands.

Sidney Stephen's Teacher's Tabular Statement was presented to the March, 1861 Court and he was allowed \$30.86 from the Indigent Fund; and \$3.12 was allowed to paying patrons of Stephens's School. At the same Court, B.F. Morris and J.J. Kirkland were appointed Examiners of the Indigent School Fund.

The May, 1861, Court allowed J.C. Wilson, teacher, 8 cents per day for 96 days he taught Indigent Children, or a total of \$7.68. S.S. Lewis was allowed \$44.88 for tuition of Indigents attending the school taught by him. The Court also allowed John M. Vawter and C.F. Lewis \$11.26, as patrons for the school taught by S.S. Lewis.

In the fall of 1861 the Court again ordered that the "School Fund in the treasury be distributed to the following named teachers who have completed . . . at the rate of 10¢ per day for all Indigent Scholars that attended their several schools." The list of teachers followed; but the same Court also ordered that several paying patrons of these same teachers receive 3/4¢ per day that they had actually sent their children to school and was reported by the teachers' Tabular Reports. The table of those who shared in that apportionment is important for the War had actually begun by this time.

Far. A Mr. Gandy, who resided in the community, was the first white man buried in the cemetery.

The small, Williams Cemetery, which had its beginning as a family burying plot more than 100 years ago, is located some two miles beyond Harris Chapel Cemetery on FM 59.

The Edgar Redmon home, which Mrs. Redmon had renovated several years ago, was originally her maternal grandparents' home. The one-piece sills for the front porch, which runs the entire width of the house, were hand hewn from one tree, perhaps by slave labor.

Tabernacle Cemetery is about 104 years old and is located several miles off the main road on the eastern boundry of the community. The story is told that the colored people moved their burying place to Tabernacle when a public road was established beside Harris Chapel Cemetery (this was the beginning of Tabernacle).

The E.R. Yarborough General Store is 100 years old and still stands beside FM 1794, although its not in operation at the present time. Materials from the old original store were used in this present building. At one time there was a Post Office, called Mayhon, which was located beside the Yarborough Store.

The town of Beckville has had a post office since 1857.

HORTON-WALNUT SPRINGS

The first known deed for school land in TACOMA COMMUNITY area was made by T.M. Horton in 1886, as follows: "I, T.M. Horton, . . . convey unto Jerry Long, County Judge, . . . a tract . . . for the purpose of a public school . . . on the East side of Sabine River on the Elliott's Ferry-DeBerry Road, about four miles from DeBerry and three and one-half miles from Elliott's Ferry . . . being the land on which the School House now stands . . . being about two acres . . . signed: T.M. Horton, December 13, 1886."

The records are somewhat confusing as to the District number; it was first called District #1, and in 1905 was so established; but Horton was later known as District #38.

Another deed was made by J.T. Elliott and wife, M.J. Elliott, in 1903, for a school at Walnut Springs. This was evidently the colored school.

Any rate, the County Board classified it as a one-year high school in June, 1912. Then, in 1913, the Board re-classified it as a two-year high school.

Supt. A.J. Holmes said, in 1912, "Tacoma was moved out of the original #1. built and

Rural High School District; but later dissolved that district and consolidated with Carthage.

JUMBO SCHOOL

Jumbo Common School District #22 was created December 6, 1907. In 1912, the boundaries were corrected and the County Board of Education rated it an Intermediate School.

Later in the year of 1912, it was re-classified as a one-year high school.

In June, 1913, the County Board of Education re-classified the school to a two-year high school.

Mr. Holmes reported in 1912, "Jumbo, District #22, has a fifty cent tax, a new 2-story building and good furniture."

This school, like others in the county, operated at a local level until the consolidation pressures became obvious in the 1940's and Jumbo consolidated with Gary.

LIBERTY CHAPEL (Formerly, Frogpond)

The first school for Liberty Chapel was donated by Mr. Respass who was also its teacher for several years. Some of his pupils were his own grandchildren.

On the same location as the Respass School, Liberty Chapel was established and defined as Common School District #20 on December 6, 1907.

In 1912, the County Board of Education rated the school as Intermediate (seven grades). The 1913 Board Rating was the same.

Mr. Holmes reported in 1912, "Liberty Chapel, District #20, has the house repaired and furniture has been added. This school is very small and will not succeed 'till its patrons are more enthused over the subject of education."

Liberty Chapel did become an enthusiastic elementary school before the consolidation movement came. In the 1940's this district consolidated with Carthage.

LILES — MURRAY — WALDROP SCHOOL

An interesting experience is to follow the story of a one-room school from pioneer times to modern days. Such a story is the one about a school that changed its name to that of the family land where it was located.

In the 1870's through the 1890's, a school was taught by Mr. Liles and it was called LILES SCHOOL. It was taught in a house on the road between Fairplay and Brooks, near

Buckner's Creek. Known teachers of MURRAY SCHOOL were: Sudie Lowrie, Amanda Davenport, Minnie Donovan, Hurst Chadwick and Lena Moseley.

Essie Waldrop Belew remembers attending Murray School in 1903, when she was about seven years old. Minnie Donovan, the teacher, came to Carthage for Christmas. When she returned riding horseback, she had icicles in her hair. This impressed the children who also had to ride horseback or walk long distances to school.

She describes the furnishings of that school room. Students sat on benches, with only one long table-desk at the front of the room. This was for all students to sit around (again on benches) to recite or for writing lessons. The lid to this desk raised and held a chest-like cavity which held all students' books there. Students had to furnish their own books, so there were very few. They took turns in groups or classes, while others studied at their seats. All grades were taught in the same room.

Essie remembers sixteen pupils of Minnie Donovan in 1903: six Taylor children — William, Jewel, John, Cecil, Onyce and Marvin; two Brownings — Douglas and Richmond; two Waldrops — Essie and David; three-Akins children — Horace, Corbitt and Orra; two Raleys — John and Nannie; and Carrie Weaver. One of the Taylor boys became a lawyer at Marshall.

After recess on Friday afternoons, each child who had been studious received an award. He or she drew for a small colored picture card. This was a coveted prize for all ages.

David (F.D.) Waldrop remembers some of the mischevious stunts pulled by older boys. The floor planks had wide cracks between; and neighbors' pigs and chickens wandered around and under the house at will. In the spring, the boys would bring fish-hooks and string to fix traps for the chickens and/or pigs. When the teacher was busy with other students, these boys baited the hooks with bread or corn and dropped them through the cracks. The opposite end of each string was held firmly by a bare foot until the noise and commotion under the floor had disturbed the school. The foot would release the string and no one knew who was responsible.

In 1908, a wave of school improvement swept over the County under the leadership of the first County School Superintendent, Prof. A.J. Holmes. This school was moved from Murray to the Dud Waldrop Place, in the Sugar Hill Area. This was about the same time that Brooks School was moved one mile East on the road toward Murray School.

The new school was created and defined, January 14, 1908, as WALDROP SCHOOL.

CAPTAIN ROBERT WILLIS WEIR 329

Robert Willis ("Bob") Weir, son of Andrew and Sarah George Strickland-Weir, was born September 6, 1835, at Columbus, Mississippi. He came to Panola County, Texas, with his family in 1846, and they settled at Grand Bluff.

The Andrew Weir, Sr., family came to Grand Bluff in the spring of 1846, coming via Little Rock, Arkansas. They crossed Red River at Shreveport, Louisiana when it was a very small village. — "only two little stores and a few families; — Mr. Shreve was living here and the town took its name from him." The mother, Sarah, had died in Mississippi in 1842 and was buried there.

Andrew Weir, Sr., accumulated quite a fortune while living in Columbus, Mississippi;

Grand Bluff was a thriving village and the busiest River Ferry Crossing in the area; and the sons of this Weir family became prominent business men. Andrew W. Weir, Jr., became a Mercantile Merchant; Dr. George S. Weir practiced medicine in different parts of Panola County, including Fairplay; Bob was a Steamboat Pilot before the Civil War; and Martha Ann became the wife of Alexander Lewis Vawter, merchant at Grand Bluff.

Robert Willis (Bob) Weir married Eliza M. Barbee after he returned from the Civil War. They had eight children, six of which survived to become adults:

Sarah Elizabeth, born 1868; Mary Frances, born 1869, married W.F. Smith; Charlie H. born 1870, married Nancy Trulock; Martha Clementine, born 1872 — died 1873; William Robert, born 1874, married Margaret Yarbboro; Laura Jane, born 1876, married John Reuben Dunn; Effie Lou, born 1879, married Joe C. Harris; Andrew King, born 1882 — died 1885.

Bob Weir and five brothers served in the Civil War. Bob and Richard, his youngest brother, enlisted December 26, 1861, as Cavalrymen in Company C, 14th Regiment, Texas Cavalry. They went to Little Rock, Arkansas, and were dismounted there; and their horses were sent home. They then took a Mississippi River Steamboat to Memphis, Tennessee, where they got railroad transportation to Corinth, Mississippi.

Capt. Bob's own words explain their experiences from Corinth: "There our troubles began. Our Company C was in the 14th Texas, Ector's Brigade, which was in many hard-fought battles. We had hard battles in Mississippi, Alabama, Georgia and Tennessee. We went out with 117 men in our Company and only sixteen ever got back home."

Four other brothers of Capt. Bob Weir were in the War, too. Andrew W. Weir and his brother Henry were in R.N. Cumby's Company which was organized at Henderson, May 7, 1861, several months before Bob's Company. Charles was in a different company, but the title of that company is not known. Dr. G.S. Weir, another brother, was a surgeon in the Virginia Army.

Mr. Weir made several references to his Civil War experiences in letters and newspaper articles of his day.
