## Dedication

Whether we wish to admit it or not, we are the future of our ancestors, as our descendants are our future. We owe our descendants our dreams and bequeath to them the legacy of our collective accomplishments – nothing more and nothing less. To our descendants, we charge you with the honoring of your heritage. Your ancestors were hardy folk, god-fearing and plain spoken, and who recognized that nothing was due them except that which they themselves earned. They were not ashamed to profess their belief in God, their country and the American ideal. Of course, there were a few rascallions in our collective history, but neither more nor less than in any other family.

We too easily forget what it took to forge a life in a new world, one rife with peril and with little at hand but a steadfast determination to not only survive but to thrive. Our ancestors bequeathed us with their genes, aspirations and talents. It is therefore fitting that the Blandford Series of Yarbrough Family Records be dedicated to them for making it possible for us to be who we are.

To paraphrase Robert Kincaid<sup>1</sup>, “The dreams they had were good ones. They didn’t all come true, but they were worth having, all the same.”

## Acknowledgement

The Yarbrough Association is greatly indebted to the vision and efforts of Cathy Y. Walker and William A. (Bill) Yarbrough, the late president and vice-president of the YNGHA, respectively, for beginning the project to digitize the 150+ volumes of records accumulated over the life of the Association. Fulfilment of the project was through the efforts of a number of officers and members, including Bill’s son Mark, Rachel and Don Yarbrough, Hal Yarbrough, Jan and Jim Yarbrough, Ann and Al Bush, Elaine and Lyle Wolf, Joan Y. Singlaub, and Joanne and Bill Augspurger.

It was my privilege to be a part of this dedicated team.

A handwritten signature in cursive script that reads "Leonard".

## Preface

These records are the legacy of our Yarbrough family researchers, to whom much is owed. The known family researchers include Jean Baker, Ann Y. Broadbent, Mary Y. Daniel, Frances (Rea) Donohue, Betty Humrighouse, Pauline Gray, Evelyn Goble, Nelle Morris Jenkins, Ophelia Kessler, Frances Lockwood, Karen Mazock Renee Smelley, Dorothy Svec, Jeanette Wilson, Cleveland “Cy” Yarborough, Edna Yarbrough, George A. Yarbrough, and Robert Price Yarbrough.

The originals of these volumes are being kept for the benefit of future generations by the Williamson County Library, Franklin, Tennessee.

No claims of accuracy or authentication of the material herein are made or may be assumed. Many of these records have been superseded by subsequent research. Hence, there are records which are erroneous and unreliable; it would have been a Herculean task to attempt to correct all of them. Fortunately, there are only a few critical genealogical facts that are involved, and which are correctly stated here:

- Richard (the Immigrant) Yarborough was never married to Frances Proctor;
- Ambrose Yarbrough did not immigrate from Yorkshire; he is now believed to be a descendant of Richard the Immigrant;
- There are so far only two proven sons of Old Richard – John and Richard II;
- There is so far no evidence proving Joshua Yarborough I to be a descendant of Old Richard.
- The “Old Country” referred to in old documents and letters is the Colony of Virginia, not England or the Old World.
- There were not seven brothers who immigrated from “the old country”; in fact, it now appears there were three brothers and four sons of the brothers. Which were the fathers and which were the sons are so far unknown.

In spite of these inaccuracies, these records comprise much of our history and some of our accomplishments. There are pages whose print quality is so poor that word recognition was not possible. In spite of that, at least partial capability for searching these volumes is provided, as well as an index to each volume. Nonetheless, the viewer is cautioned to perform his/her own due diligence in connection with any use of this material.

The various spellings of the Yarbrough surname have never been applied consistently, even within a given family. To the extent possible, the names in the index reflect the names used on the source pages; where it wasn't clear as to which might be the proper spelling, the spelling used is “Yarbrough”.

### Worksheet/Questions:

1. Dolores M. Yarbrough (DMY) records show Gustavus b. 1833 in Newcastle Henry Co., KY.

The 1860 Census shows Gustavus age 24, born Virginia, which would make his birth ca 1835/36. Need to check census records of other counties to see if there is a couple in the age group to be Gus' parents with Virginia birth places.

2. DMY records show Jane Keller b. 11 Dec 1824, d. 14 Feb 1900, Zeleinopol, Butler County, PA. I note you show this with question marks.

The 1860 census gives her age as 27 (b. ca 1832/33) and the 1870 shows her age as 39 (b. ca 1831). It would appear she was probably born ca 1832. Both census records show her born in Kentucky.

3. DMY records show a marriage date of 7 Jan 1860 for Gus and Jane. On the 1860 census (taken in August), Gus is living next door to Jane and Jane is shown as Jane Keller in the home of her mother. Could the marriage date have been 7 Jan 1861?

4. DMY records show that Gus died 1892 with a question mark.

Gus is on the 1860 census and not on the 1870 census. Jane is on the 1870 Census with son Samuel who is age 8.

As Jane has only one child, Samuel b. 1861, and Gus is not listed -- it may be that he died sometime between the 1860 - 1870 census, possibly in the Civil War? If he died close to 1870, it would seem likely that

there would have been at least one more child. Do the Court records of Mercer County have any probate records for Gustavus? If Gustavus died during this period, there was probably a guardian appointed for Samuel and that should be in the court minutes. Also, a check should be made for the civil war dead from Kentucky for a G., G.G. or Gustavus Yarbrough. Any idea what the middle initial G. might have been for?

5. On the 1860 census, Gustavus is living in the home of Martin C. and Mary B. Duncan. No relationship is shown.

He may have been a boarder. However, comparing the 1860 and 1870 census records, Catherine Keller seems to be living on the same property both years. In 1870, however, Jane seems to be living on the adjoining property where Gus lived in 1860.

If Gustavus was living with his family in 1860 rather than being a boarder, his mother may have been Mary B. Duncan and this may have been a second marriage for her. Might check marriage records for a Mary B. Yarbrough marrying a Martin C. Duncan. Also, might check estate, probate and deed records to see if Gustavus either bought or inherited this property.

6. Need to check the 1880 census for Gustavus and Jane. Watch ages - between 1860 and 1870 census, Catherine Keller aged 15 years; James Keller aged 12 years and Jane (Keller) Yarbrough/Yarber aged 12 years. (It must have been a very hard 10 years!)

1. Is James Yarbrough in 1840 Henry County census and James Yarbrough of 1850 Trimble County Census the same man? Ages of James, wife & children check out. Could 5-10 year old boy in 1840 be Gustavus who had left home by 1850? He would have been 7 years old in 1840 if he was born in 1833 as marriage bond indicates, 17 years in 1850.
2. Or Could Gustavus be 5-10 year old male in Wm. P. Y. household in Henry Co. 1840 Census? Both household have a 5-10 year old male.

Gustavus G. Yarbrough, born ca 1833 New Castle Ky, Henry Co.

Married 1854, Fayette Co. KY - Lexington (Nov 14) to Anna M. Baldwin

According to Larry's notes he fought for north, was educated at Frankfort and lived there. Does 1892 death date refer to him?

Samuel Keller Y. was born in McAfee, Mercer Co on Dec 18, 1861. Gustavus would have been 28 when Samuel was born. Jane Keller would have been 36.

[Karen's note: Gustavus Yarbrough married Jane Keller. Note in 1860 they live next door to each other. By 1870 census, Jane is shown with one child and Gustavus is not listed. Catherine Keller appears to be living on the same property in 1870 as she was in 1860. Jane Yarber, however, appears to be living in the residence next door where Gustavus was in 1860. The Duncans are not shown. Did Gustavus buy their property, or inherit it? Was he related to them? Census shows him born in Virginia while the Duncans were both born in KY.]

sion index and World War I draft registrations. The pension files include the entire nation, while the draft records pertain only to Illinois. When requesting draft record information, please provide a county location and, for Chicago, a street address.

#### LAND RECORDS

The Archives has records for the 10 federal land district offices in Illinois. These include only information about the **first** purchase of land from the federal or state government. (Later land transactions between individuals were recorded in the county courthouses.)

Information contained in the federal land district office records includes: names of purchasers, dates of purchase, exact legal descriptions of land purchased and buyers' residences at time of purchase. The former place of residence is not shown. Staff will search an alphabetical list of purchasers' names for two entries. When possible, please provide a county location.

#### COUNTY HISTORIES

The Archives holds many published Illinois county histories. Staff will search indexes of specified counties for two names and will return copies of biographical sketches upon request.

#### COUNTY AND LOCAL GOVERNMENT RECORDS

The Archives has microfilm copies of records found in some Illinois county courthouses. Patrons may use these films at the Archives.

The Illinois Regional Archives Depository (IRAD) System contains various county, township and municipal records. The IRAD staff will perform a limited amount of research in these local records upon request.

For further information, contact IRAD, Illinois State Archives, Springfield, IL 62756 (217/782-3645).

#### INTER-LIBRARY LOAN

Films of the state census schedules for 1855 and 1865 and the federal population schedules for 1850, 1860, 1870, 1880, 1900 and 1910, as well as the 1900 and 1910 census indexes, are available through the inter-library loan system. The "Name Index to Early Illinois Records" (census records index 1810-1860) and the war indexes are also available on loan from the Illinois State Library, Centennial Building, Springfield, IL 62756. These should be requested by the surname for which you are searching. Your local librarian must make the loan request for you.

#### DESCRIPTIVE INVENTORY

For a complete description of all of the record groups in the Archives, consult **The Descriptive Inventory of the Archives of the State of Illinois** (Springfield, 1978). A copy may be in a local library, or it may be purchased for \$20 from the Illinois State Archives. **A Guide to County Records** found in the IRAD collection may be purchased for \$5. If you order a copy of either publication, make your check payable to the Secretary of State.

## Illinois State Archives Genealogical Records and Mail Research Policy

GEORGE H. RYAN  
SECRETARY OF STATE  
AND STATE ARCHIVIST

**T**he Illinois State Archives in Springfield is open Monday through Friday from 8 a.m. until 4:30 p.m. and on Saturday from 8 a.m. until 3:30 p.m., except on holiday weekends.

The Archives staff will do a limited amount of research in reply to mail requests. The services of the Archives are provided at **no charge** through the courtesy of the Illinois Secretary of State. Therefore, when requesting information, there is no need to include a self-addressed, stamped envelope. However, there may be a photocopy charge, for which you will be billed.

Please follow these guidelines when requesting information by mail:

- Ask only for one or two specific items at a time.
- Designate the specific record to be searched (e.g., the year for a census record, the war for a service record).
- Provide the complete name(s) of the person(s) to be searched (no more than two at a time). When possible, include the names of spouses and children and their ages and birthplaces to help staff identify the correct entry.
- Do not submit a second request until you have received an answer to your first request.

## CENSUS RECORDS

**1810–1860.** The Archives has indexes covering state and federal census records for this time span. Staff will search these indexes for two specifically named individuals for one census year in a designated county location.

**1870.** As only a few counties of the 1870 census have published indexes, a township location is necessary for Archives staff to conduct a search. Staff will not search the unindexed schedules of Illinois cities.

**1880.** There is an index to the 1880 census which lists only those households having children 10 years old or younger at the time of the enumeration. Staff will search this index when the name of the head of the household is provided. (When possible, please provide the county location and names of wife and children.) Staff will also search the 1880 schedules for two persons if a definite township location is provided but will not search the schedules of Illinois cities.

**1890.** The 1890 federal census records were destroyed by fire in Washington, D.C., in 1921 and therefore cannot be searched.

**1900–1910.** A complete index to each of these censuses exists and will be searched if the name of the head of the family is provided. Again, whenever possible, please provide the county location and names of wife and children. Staff will not search the actual schedules if the name is not found in the index.

**State Censuses.** Although state censuses were taken before 1855, schedules for very few counties have survived. The 1855 census is indexed and will be searched for two names. The 1865 census, the last state census taken, is not indexed. Also, only the head of the family is listed by name; other members of the household are shown by numerical totals in age categories. Staff will search the 1865 census if provided with a township location. Schedules for cities will not be searched.

## VITAL RECORDS

The only death records at the Illinois State Archives are the Federal Mortality Schedules for the years 1850, 1860, 1870 and 1880. These records show only those deaths that occurred during the one year prior to the beginning of the enumeration. For example, the 1850 Mortality Schedule lists deaths that occurred between June 1, 1849, and May 31, 1850.

Staff will search 1850 and 1860 Mortality Schedule indexes for two names if given a county location. Searches of the unindexed 1870 and 1880 schedules require that you provide a township location. Also, please note that the 1870 Mortality Schedules for Illinois counties beginning with any letter from **A** through **K** (Adams–Kankakee) are missing.

Most Illinois counties did not keep birth and death records until 1877. Between 1877 and 1916, if the event was recorded, it would be found in the county clerk's office of the county in which it occurred. After 1916, the event is also recorded with the Illinois Department of Public Health. For information about birth and death records, an application for a search or an explanation of the fee schedule, contact the Department of Public Health, 605 W. Jefferson St., Springfield, IL 62702 (217/782-6553).

## WAR RECORDS

The Archives has indexes to lists of Illinois units serving during the War of 1812, Black Hawk War, Mexican War, Civil War and Spanish-American War. Staff will search a specified index for two names. Also, staff will search the "Honor Roll of Veterans Buried in Illinois" for two names if a county location is provided.

The Archives contains the resident files of the Illinois Soldiers' and Sailors' Home in Quincy beginning with the year 1887. For information about a resident after 1908, you must first obtain a registry number directly from the Soldiers' and Sailors' Home before submitting your query. Records of the National Home in Danville for the years 1898 through 1934 are also available on microfilm in the Archives.

In addition, the Illinois State Archives contains National Archives microfilm publications of selections from each Revolutionary War pension file, the War of 1812 pen-

Dear Ophelia and Rea:

I should be in the shower getting ready for work, but wanted to send a few lines your way today.

First of all, your package arrived at my office Tuesday in great shape. I am still reading, sorting and trying to file the papers. Some interesting records in this stack!

I have been buried with projects lately. As usual, I have over-extended myself. I told you about David Avant who publishes the Some Southern Colonial Families series. I've been assisting him with records on the Joshua/Jeptha Y. line. I've typed at least 60 pages of Virginia and NC records for him. It has taken time I didn't have, but I am sticking with it for two reasons: (i) a verified Y. line will be published in a book that will be in libraries all over the country; (ii) I am learning how we can start really proving some of the Y. lines in short periods of time. In less than six weeks we have proven a line from 1870 back to 1720. In the process, we have also found the links for a bunch of VA, NC, GA and Alabama lines. I've even identified the Susannah (Thompson) Yarbrough mentioned in the Bute NC County Will! Last weekend I found a court case in Orange County, VA that just may prove this line to Richard the immigrant.

I am sticking with this project because I see no reason why we (Archive Committee) couldn't use the same methods that David has. I will tell you more about this later.

After writing to Leonard and not hearing from him, and getting a letter from Roger that said he hadn't heard from Leonard since Atlanta, I finally called him. <sup>LEN</sup> September is all but gone and I think that something needs to get out to the membership as soon as possible. It took two calls, but I finally reached him. He said he only had a few little things for the newsletter. Just between you and me, I don't think he has talked to any publishers or anything. He said he had been very busy and I am sure that he has. So, I typed up about 25 pages of "stuff" and sent it to him, along with pictures from the conference that Arlene had sent me. (Relax, I didn't send him the ones of us in our nightgowns!) I called Jeanette and she has mailed me some "how to get started in research" information and I also called Roger and left a message on his answering machine asking him to do the President's letter and get it to Leonard as soon as possible.

I think Leonard is more than qualified to do a really good quarterly -- I am getting the feeling that he is going to have to be "prodded" to get it out. I hope that I am wrong about that! I hope he will surprise me and get something done fast. Please don't mention this to anyone else. I will be the most delighted person of all if I am wrong.

Roger is getting a plaque prepared for Senator Ralph. I suggested to him that we prepare a scrapbook of newspaper clippings to be presented to Ralph at the same time he is given the plaque. I have clippings that researchers have saved and given me from about the 1950's. Roger liked the idea and wanted me to get to work on it immediately. My thought was that this scrapbook might eventually end up in Ralph's old homeplace which is, as you know, a historical site in Texas.

Roger wants me to prepare this as soon as possible (GROAN, another project) and get it to him. I am going to use the original clippings for the book and just make copies for my records. Do you have any clippings for it? If you only have a copy of an article, that is ok -- I have some copies rather than the originals, too. This scrapbook will be from YNGHA to Ralph, by the way. If you have any articles you will donate, could you send them to me ASAP. I have told Roger I will try to have this to him by mid-October and I haven't given myself much time on it.

I suggested to Roger that a presentation would be nice rather than just mailing the plaque and book to Ralph. He thought the same thing and his idea is to have the presentation at Ralph's old homeplace in Texas. I like that idea. I also told him that I thought that some of the Texas members at least would like to be present. I hope that when a date is picked (which may be toward the end of October) that one or both of you can attend and take some pictures for our records.

One last thing - during the period of "Charlie's fiasco", I wrote Roger several letters with long explanations of how the newsletter was not responsive to researchers' needs. He commented several times that he was not a researcher and did not fully understand exactly what researchers needed. I will say, however, that he has been most responsive in trying to do things that will aid the family researchers. He also commented that though he was not a researcher, he would sometimes like to pick up one of our publications and see something on his line or that he could relate to in it.

I am wondering if we can find anything on Roger's line. All I need at this point is yet another "project" ... still, because Roger has been very receptive to the needs of researchers -- and also because he took on the job of president even though his first preference was not to -- I'd like for us to do something for him. I think it would be a fun surprise for him to open a quarterly and see his line listed...provided we can find anything on it. As what would be printed in the quarterly would have to be edited down to mostly the facts, maybe we could use the documents and records we find for a book to be presented to him at next year's conference.

I told Roger if he would send me what he had on his line that we would check our records and see if we had anything additional. (I had to tell him something to get a copy of his line as we don't have it in our records.) As we haven't "chosen a project" yet for this year, what would you think of working on his line?

The copy that Roger sent me was very pale and wouldn't recopy, so I've typed it off and am enclosing a copy for you. I have also prepared some family

groupsheets and have mailed them to Dolores to complete (she did the original research). I am enclosing a duplicate copy for you and I've kept a copy. I'll send you a copy of whatever she returns to me.

Yesterday I went to the library in Norfolk and started looking at the Census records for Kentucky. I have almost none. The microfilm readers were occupied and by the time I got to use one, I had time only to look at the Mercer County Census (copy enclosed - along with my thoughts and questions after I compared what Dolores did to what I found on this census). While I waited for a reader, I started copying the census indexes for Kentucky - I've typed this up and am sending you a copy for your records. Someone was using the 1870 West Kentucky index and I didn't get to copy it.

Our library has the 1850-1870 census of Kentucky on microfilm. I didn't notice if they had later census records - I didn't look. What the library doesn't have for sure is a printed index of the 1880 KY census. Do you (or your library) have it? It would be faster to work with an index.

Looking at what Dolores sent, and what I found on the census, it appears that we will need some research in Mercer and Fayette Counties Kentucky for sure. Dolores listed Gus as being born in Newcastle, Henry Co., KY. The census, however, shows his birthplace as Virginia.

Except for early Kentucky marriage records and the census, our library doesn't have much in the way of Kentucky records. I am hoping that your library will have a better selection. I'll start on the census records and, while I'm at it, I'll copy all the Y families. I notice that neither one of us seem to have very many.

Dolores gives the name as Gustavus G. Yarbrough. I have no idea what the G might stand for. Also, somewhere in my records I have a note that one of his marriage records had his name as Augustus. I don't know if that is accurate or not. But, you might keep that in mind when you are watching for that name.

Let me know what you think about doing Roger's line.

I must stop and get the wash started. Here it is Sunday evening and I haven't even started the weekend chores.

Best wishes,

Karen Mazock

## *National Yarbrough Conference*

June 4, 1991

TO the Regular and Associate Members of the Yarbrough National  
Genealogical and Historical Association, Inc.

This letter is a status report on the Yarbrough National Genealogical and Historical Association, Inc. sent this day to the general membership of the YNGHA.

Due to the lack of communication and misstatements that appeared in the April 1991 NYC Newsletter, it is essential to communicate to the membership the facts concerning the status of our association. Please be advised as follows:

(1) The Yarbrough National Genealogical and Historical Association, Inc. (YNGHA) was incorporated in 1990 through the efforts of Allen Yarbrough with encouragement from members of the ad hoc board of directors. The main reason for the establishment of the Yarbrough Corporation is to give it formal structure with officers who can carry out the association's business with authority. The second reason the association has been formed is to be able to collect dues from the membership -- the primary need for funds from dues is to support the Yarbrough Newsletter. Prior to the new dues structure the Newsletter has been supported entirely from voluntary contributions. Charles H. Yarbro's outstanding devotion to publishing the family magazine had been supported entirely from voluntary contributions. However, voluntary contributions have never been adequate and many individuals have made contributions to support the newsletter to have it continued to be published. It was recognized by the board that this could no longer continue. Therefore, the new corporate organization was formed and a dues structure established. The YNGHA corporation now has 97 regular members and 44 associate members. The YNGHA board of directors are confident that the corporation can maintain a viable financial budget to sustain the publication of periodic genealogical documents and family information, as well as meet other corporate business expenses.

(2) Since the death of Allen Yarbrough, president of the association, Roger L. Yarbrough, the elected vice president is now acting president and has recovered the corporate documents from the Allen Yarbrough family and the corporate attorneys Coates & Davenport. It has taken some time to get this done. The corporate documents have been brought up to date and are in the possession of Roger Yarbrough. Roger Yarbrough has made a commitment to serve as president through the annual convention at Atlanta in July of 1991.

(3) The corporation is not floundering and is in sound financial condition. The corporate annual report was filed with the State of Virginia on March 28, 1991, before the April 1st, 1991 deadline.

(4) All approved bills of the association have been paid through April 30, 1991. The attorney's fees, registered agent fees, and March printing bills were all paid prior to the April 1991 Yarbrough Family Magazine publication. Attached is the treasurer's financial report for the fiscal year through April 30, 1991.

(5) No one is authorized to solicit funds other than membership dues. All monies must be collected and disbursed by the treasurer of the association. To do otherwise would cause problems with the IRS.

(6) The by-laws of the association provide for the election of the association directors and officers at the annual meeting. Notice of the annual meeting is enclosed. Proxies for use by the regular members not able to attend the meeting are enclosed with this mailing.

In summary, the YNGHA is alive and well. Like any infant organization, the YNGHA inevitably will continue to grow and change over the years. Testamentary to the fact that the organizational structure is necessary is that despite growing pains and a bumpy first year in which the president passed away, the corporation is in good shape financially. The YNGHA corporate structure continues to:

(1) Insure accountability to all members and the IRS.

(2) Allow for democratic decision-making through an elected board of directors for the benefit of all.

(3) Provide permanence of organization beyond the life of any one person or group of persons.

We hope to see you all at the YNGHA Convention in Atlanta on July 25th, 26th, 27th & 28th, 1991. Let's make this an enjoyable experience with emphasis on genealogical research, family fellowship, and sightseeing in the exciting Atlanta area. If you are a regular member and unable to attend, please send in your proxy vote for directors and officers. If you have any questions, please contact me at 1105 Devonshire Drive, Champaign, IL 61821 (Telephone 217-355-9115 days and 217-352-2645 evenings).

Sincerely yours,

Roger L. Yarbrough  
Acting President

Family tradition says that Jane Keller's mother (Catherine Ray) was the sister of Daniel Boone. Catherine Ray was b. 1796 and Daniel Boone was born 1734, 62 years earlier. It is very doubtful that Catherine was his sister. Using an average age, if Daniel Boone's father was 30 when Daniel was born, it would make his birth ca 1704 ...making him 96 when Catherine was born.

Very often, however, family tradition is based on fact that has been distorted in the telling down through the years. Using an average age of 30 for each father when the child was born:

		?	Ray
	Col. James Ray		b. ca 1736
Catherine Ray	b. ca 1766		
b. 1796			

It would seem that ? Ray's wife would have been the right age to have been a sister to Daniel Boon, making Cather's grandmother (and Jane's great grandmother) the sister to Daniel Boone. Before discarding the theory completely, it might be worthwhile to check the line of Daniel Boone. I know it has been doen by historians as I recall hearing Pat Boone (the singer) mention in an interview that he was a direct descendant of Daniel Boone's and he had just been to Boonesville for some celebration.

Things to Do:

Look up 1850 Henry County Census for John Yarbour

Look up Civil War Pensions, etc (Mercer Co?) - No Gustavus listed

Look up Wills - No Yarbrough wills ever probated in Henry or Trimble County

- No proprty ever recoreded in Trimble County

Go to UI Library and Morman Church - Recheck Census for parents livign with Gustavus

Research of Roger L. and Doiores M. Yarbrough - Champaign, Illinois

there would have been at least one more child. Do the Court records of Mercer County have any probate records for Gustavus? If Gustavus died during this period, there was probably a guardian appointed for Samuel and that should be in the court minutes. Also, a check should be made for the civil war dead from Kentucky for a G., G.G. or Gustavus Yarbrough. Any idea what the middle initial G. might have been for?

5. On the 1860 census, Gustavus is living in the home of Martin C. and Mary B. Duncan. No relationship is shown.

He may have been a boarder. However, comparing the 1860 and 1870 census records, Catherine Keller seems to be living on the same property both years. In 1870, however, Jane seems to be living on the adjoining property where Gus lived in 1860.

If Gustavus was living with his family in 1860 rather than being a boarder, his mother may have been Mary B. Duncan and this may have been a second marriage for her. Might check marriage records for a Mary B. Yarbrough marrying a Martin C. Duncan. Also, might check estate, probate and deed records to see if Gustavus either bought or inherited this property.

6. Need to check the 1880 census for Gustavus and Jane. Watch ages - between 1860 and 1870 census, Catherine Keller aged 15 years; James Keller aged 12 years and Jane (Keller) Yarbrough/Yarber aged 12 years. (It must have been a very hard 10 years!)

1. Is James Yarbrough in 1840 Henry County census and James Yarbrough of 1850 Trimble County Census the same man? Ages of James, wife & children check out. Could 5-10 year old boy in 1840 be Gustavus who had left home by 1850? He would have been 7 years old in 1840 if he was born in 1833 as marriage bond indicates, 17 years in 1850.
2. Or Could Gustavus be 5-10 year old male in Wm. P. Y. household in Henry Co. 1840 Census? Both household have a 5-10 year old male.

Gustavus G. Yarbrough, born ca 1833 New Castle Ky, Henry Co.

Married 1854, Fayette Co. KY - Lexington (Nov 14) to Anna M. Baldwin

Married Jane Keller Jan 7 1860 Mercer Co.

According to Larry's notes he fought for north, was educated at Frankfort and lived there. Does 1892 death date refer to him?

Research of Roger L. and Dolores M. Yarbrough - Champaign, Illinois

Samuel Keller Y. was born in McAfee, Mercer Co on Dec 18, 1861. Gustavus would have been 28 when Samuel was born. Jane Keller would have been 36.

Henry Co.

Is Margaret Vorheis who married Parmore Yarbrough in Henry Co. 1823 (father Francis Vorheis) sister of Francis Vorheirs in 1850 Census of Henry County who has 6 year old Elizabeth Yarbrough living with them? He (Francis) signed marriage bond for Wm. P. Yarbrough & Catherine Vorheis to marry in 1845.

Gustavus Y's first wife Anna M. Baldwin, daughter of William Baldwin of Lexington, Kentucky. They were married Nov 14, 1854.

Conclusion:

1. In 1847 William P. Yarbrough sold 110 acres to J. Singleton (recorded 1860) on contract. In 1850 Census he and wife lived alone. James is recorded in Trimble County ( a mistake possibly) and John lives in New Castle (record of his buying property there & is a blacksmith. Has wife and 4 children. Later recorded as having 4 more children between 1853 & 1858.
2. Parmore Y. married Margaret Voorheis in 1823 (daughter of Francis - Henry Co. In 1850 Census (Henry Co), 6 year old Elizabeth Yarbrough lives with Frances Voorheis and wife Nancy. Francis signed marriage bond for Wm P. Y. to marry Catherine Voorheis in 1845 (at age 73?)
3. Will of Randle Yarbrough, Fleming Co., KY, July 22 1804:

          John Yarbrough  
          James Yarbrough  
          William Yarbrough  
          Mary Yarbrough  
          Nancy Yarbrough

If Nancy Yarbrough is the one married to Francis Vorheis (age 49 in 1850) she would have been born in 1801 - 3 years old when Randle died.

### Worksheet/Questions:

1. Dolores M. Yarbrough (DMY) records show Gustavus b. 1833 in Newcastle Henry Co., KY.

The 1860 Census shows Gustavus age 24, born Virginia, which would make his birth ca 1835/36. Need to check census records of other counties to see if there is a couple in the age group to be Gus' parents with Virginia birth places.

2. DMY records show Jane Keller b. 11 Dec 1824, d. 14 Feb 1900, Zeleinopol, Butler County, PA. I note you show this with question marks.

The 1860 census gives her age as 27 (b. ca 1832/33) and the 1870 shows her age as 39 (b. ca 1831). It would appear she was probably born ca 1832. Both census records show her born in Kentucky.

3. DMY records show a marriage date of 7 Jan 1860 for Gus and Jane. On the 1860 census (taken in August), Gus is living next door to Jane and Jane is shown as Jane Keller in the home of her mother. Could the marriage date have been 7 Jan 1861?
4. DMY records show that Gus died 1892 with a question mark.

Gus is on the 1860 census and not on the 1870 census. Jane is on the 1870 Census with son Samuel who is age 8.

As Jane has only one child, Samuel b. 1861, and Gus is not listed -- it may be that he died sometime between the 1860 - 1870 census, possibly in the Civil War? If he died close to 1870, it would seem likely that

Keep this in mind when using these books.

We would ask that if you copy any of this material that you help by giving us

## Yarbrough conference held in Springfield

At the eighth annual National Yarbrough Conference in Springfield, Ill., July 26-29, actions were taken to incorporate NYC as "The Yarbrough National Genealogical and Historical Association, Inc." Official papers were filed in Richmond, Va., on July 6.

Attending the conference from Lake County were Charles H. Yarbro of Reelfoot Lake, Route 1, Tiptonville, and Mrs. J. T. (Angeline) Yarbro of Tiptonville. Mrs. Yarbro was also accompanied by her daughter, Linda Joyce Yarbro Hane, of Shawneetown, Ill. Yarbrough and related family members from all over the United States attended, with other West Tennesseans at the event from Dyersburg, Covington, Decaturville, Stanton and Memphis.

Mr. Yarbro of Reelfoot, a founding member of NYC, was renamed as one of nine directors. He also was elected secretary of the new organization and asked to continue as editor of Yarbrough Family Magazine. The magazine is edited locally and produced by the Lake County Banner, printed monthly September through May and mailed to over 500 family members, genealogical societies and libraries.

The new YNGHA, Inc., provides a regular voting membership and an associated membership, with one vote per household, and both groups receiving the family newsletter. National conferences will

continue yearly in mid-summer in or near a major US city. The 1991 session will be in Decatur, Ga., near Atlanta, with Mr. and Mrs. William Rice as hosts. Mrs. Rice, the former Reba Yarbrough, sister of Chairman Allen Yarbrough of Fairfax, Va., was tour leader of the Yarbrough genealogy trip to England in 1989.

The Springfield conference was ably hosted by Mr. and Mrs. Roger L. Yarbrough and family of Champaign, Ill., with four days of family study workshops, family meetings, director meetings, family banquet and farewell breakfast.

The workshop featured talks by nationally recognized professor of history, Dr. Cullom Davis, who spoke on the use of oral history and the history of the American Lincoln law practice.

In the business sessions directors elected were Allen Yarbrough, chairman; Henry L. Yarbrough, Pfafftown, N.C., new director; Robert Yarbrough, Champaign-Urbana, Phil Yarbrough and Loyd Yarbrough, both of Memphis, Arlene Weidinger of St. Louis, treasurer; Charles H. Yarbro, Tiptonville, secretary and YFM editor; Frances Lockwood, Comanche, Texas, directory editor; and Karen Mazock, Virginia Beach, Va., historian and archivist.

New member of the honorary board of directors was Mrs. Laura Patrick Yarbrough of Bedford, Texas, widow of Charles David Yarbrough, NYC founder and founder and publisher of YFM. Other honorary

Texas.

Mrs. Yarbro of Tiptonville contributed greatly to fund raising projects at the Springfield conference, fashioning a beautiful Yarbrough coat of arms wall hanging and decorative floral shirts for raffle. The embroidered family crest with quilted background had over 200 hours of hand work by Mrs. Yarbro. It was awarded at the banquet to Mrs. Zeta Yarbrough of the Illinois host family.

Mr. Yarbro of Reelfoot was presented a large decorative binder including his family records back to American Colonial days. It was compiled and presented by Ophelia Kessler and Rea Donohue, Yarbrough sisters of Texas. They also provided 39 large binder books of family lines and history for the workshops. The books included over 20 years of research and compilation. Marion A. Yarbrough of Covington, Tenn., a new family researcher, also presented a computer prepared history and family directory and charts reaching back to the immigrant Richard Yarbrough who came to Virginia from England in the early 1600s.

Highlighting the annual conferences are the family banquet on Saturday night. Topping a delicious meal, honors and gift presentations and announcements was a surprise appearance of President-elect Abraham Lincoln. The talented and bearded actor, dressed in the black frocked-tailed coat attire and stove-pipe hat of his day, forcefully, yet with melancholy, orated Lincoln's Springfield farewell address before

Final Announcement for the Eighth Annual NATIONAL YARBROUGH CONFERENCE  
Springfield, Illinois July 26, 27, 28 & 29 - 1990

Final arrangements have been made for the Eighth Annual National Yarbrough Conference, which will be held in Springfield, Illinois the last weekend in July with Roger and Dolores Yarbrough of Champaign as hosts. This is the last notification that you will receive concerning this Conference.

Our Conference hosts and family have planned an outstanding program for Yarbrough Families on their visit to the "Land of Lincoln" late this Summer. Registration forms, preliminary program schedules, tours and other Conference details are presented below and on the following pages. Please share the details with all Yarbroughs, all spellings. NOW is the time to make plans for Springfield in 1990!

Dear Family Friend:

I am almost ashamed and embarrassed to write after waiting so long to acknowledge receiving the family newsletter for the past two or three years. I have planned since the first newsletter to send my family sheets on the Henry county, Kentucky Yarbrough family and a check. But, I have never gotten this done to this date so will send a check and plan before the end of this year to put together more on my Yarbrough family and send you another check for this same amount.

I put together and publish a book of historical collections for my hometown historical society, as well as publishing census, marriages, wills and other records on my home county. So, I have too many projects going at one time and never get caught up. That is very bad because I know the expense and problems of getting help and getting work of this nature together.

I would love to attend the Yarbrough conference this year and believe it may be possible. I could drive there in just a few hours. I also have another cousin-Yarbrough family-who moved to Frankfort just a year ago and may be able to bring him and his wife with me. We are working on these Kentucky Yarbroughs to try to bring them all together. Of all names, mine was Wm. P. (Primrose?) Yarbrough, born North Carolina 1776. I am also a professional researcher, but think I am going to stop working for others so I can put together my own families.

Please forgive me for not sending money sooner, keep up the urgent cry for help in paying for this. Have you thought about having yearly dues? I think I might better keep up with this if I new I had to pay \$10 or \$15 per year.

Keep up the good work. I enjoyed this latest news about Richard the immigrant.

Sincerely,

  
Donna Stark Thompson

## Searching for Indexed Terms<sup>1</sup>

First, find the name or phrase (search term) in the index. Then, from the menu bar, select “Edit”, and then “Find” or press CTRL+F. A search field will appear in the upper right corner of the page. Enter the search term into this field and press ENTER. If the search term is not found, nothing will happen; otherwise, the search term will be displayed on the first page in which it occurs. Repeated pressing of the ENTER key will high-light other occurrences within the file. Use the left and right arrow buttons to the right of the search field to look ahead or to look backwards for other occurrences of the term in the document

A directory (folder) or even an entire hard drive may also be searched<sup>2</sup>. First, high-light the selected folder or drive and then press SHIFT+CTRL+F to obtain a listing of all the files in which the search term appears. Next, select and open an individual file to find the first occurrence of the search term(s) in the file, as described in the preceding paragraph.

<sup>1</sup> In order for the search feature of Adobe Acrobat® Reader to be enabled, a certain level of document legibility is required. That is, post-scanning processing cannot overcome poor print quality of an original document. With this caveat, each volume has been made searchable by Adobe Acrobat, version 9 or later.

<sup>2</sup> This may take quite some time, depending on the size of files contained therein.
